    class XortifyAuthMinimumCloud
    class XortifyAuth
    XortifyAuthMinimumCloud --|> XortifyAuth
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'XortifyAuthMinimumCloud'. A blue arrow points vertically upwards from this box to a white box labeled 'XortifyAuth' at the top. This indicates that 'XortifyAuthMinimumCloud' inherits from 'XortifyAuth'.
